

Art Expo 2025

June 14, Noon to 5pm

2054 W Morse Ave – Outdoor Event Space

Greetings! I am organizing an outdoor art expo for June 14 – the middle of Pride Month! In the past we have exhibited various artists in our large outdoor space, and this year I want to open it up to the public! With so much of our society and community under attack from the current governing administration (yuck), it is more important than ever that we rally together and bring support for those in need. If you are interested in exhibiting, please follow the application process below to help ensure this is a successful event.

Application Process and Expectations for Exhibitors:

- Expo space is free (no fee for exhibitors), though it is asked that you name a charitable organization that you will commit to donating a minimum of 5% of your proceeds towards. I have named the Trevor Project for my own charitable cause, and you are welcome to join me in supporting this VERY important organization or name an organization of your choosing.
- Please provide a link to your work (website) or a few samples of your work so that we can understand your creative vision and help plan the limited space accordingly. Expo will be limited to 15 artists/exhibitors to ensure proper space for all to enjoy. Deadline for Expo submissions is May 15, 2025, or when all spaces are taken. Acceptance for exhibitors is first come first serve.
- For accepted Expo artists, please prepare a short written statement about you and/or your artwork. This is your time to shine and showcase you and your work to a broader audience. An artist's statement or statement on your current work will help you connect with the audience and Expo attendees.
- This is a Pride Month Art Expo and is intended to showcase love and support for the LGBTQ+ community. Open to all allies/members of the community. Be respectful.

Submissions and additional questions can be sent to Bradley Walworth :
